# IMPACTALERT:
## Device Activation
**ROADCONNECT™**
BY LINDSAY

### STEP 1: DOWNLOAD APP
Please download the RoadConnect App for your mobile device from the app store. Please coordinate with your district administrator for RoadConnect to create your login information.

Available on the iPhone App Store

ANDROID APP ON Google play

### STEP 2: REMOVE PLASTIC TAB
Ensure the plastic tab in the battery compartment is removed. This can be confirmed by removing the four screws on the top cover of the device.

### STEP 3: SCAN TO ACTIVATE
Scan the QR code on the cover using the RoadConnect App to configure and active Impact Alert device.

### STEP 4: LINK THE ASSET
Select or input details of the attached roadside asset make, model and/or type. This will pair the device to the asset being monitored.

### STEP 5: CONFIRM
Confirm to finish activation and start active monitoring of the asset.

### QUESTIONS?
Contact your distributor or RoadConnect support team at xxx-xxx-xxxx.

For more information on how RoadConnect can help you take ownership of your assets, scan the QR code at the right.
